In the Bible, God tells us about Himself, and reveals His purposes for the human race. The Bible is a book of history, prophecy and promise, outlining God's whole plan of salvation. It not only shows God's view of the past, but also opens up the future. It tells us how the problem of evil began and how it will finally be resolved. It shows how peace will finally come to our world.

**Daily study** = studying the Sabbath School Lesson each day of the week beginning Sabbath afternoon through Friday.

**Lesson plan** = studying the Sabbath School Lesson four or more days of the week.

Daily application of God's Word has a purifying effect on our minds and hearts. It points out the sin in our lives, motivates us to confess, renews our relationship with Christ and guides us back on the right path.

**Be careful so you don't be over taken by lukewarm worldliness.**

**Reverence for God**

*God is greatly to be feared in the assembly of the saints, and to be had in reverence of all them that are about him. Ps. 89:7*

Another precious grace that should be carefully cherished is reverence. True reverence for God is inspired by a sense of His infinite greatness and a realization of His presence. With this sense of the

Unseen the heart of every child should be deeply impressed. The hour and place of prayer and the services of public worship the child should be taught to regard as sacred because God is there. And as reverence is manifested in attitude and demeanor, the feeling that inspires it will be deepened.

Well would it be for young and old to study and ponder and often repeat those words of Holy Writ that show how the place marked by God's special presence should be regarded. "Put off thy shoes from off thy feet," He commanded Moses at the burning bush; "for the place whereon thou standest is holy ground." Jacob, after beholding the vision of the angels, exclaimed, "The Lord is in this place; and I knew it not."

Humility and reverence should characterize the deportment of all who come into the presence of God. In the name of Jesus we may come before Him with confidence, but we must not approach Him with the boldness of presumption, as though He were on a level with ourselves. There are those who address the great and all-powerful and holy God, who dwelleth in light unapproachable, as they would address an equal, or even an inferior. There are those who conduct themselves in His house as they would not presume to do in the audience chamber of an earthly ruler. These should remember that they are in His sight whom seraphim adore, before whom angels veil their faces. God is greatly to be revered; all who truly realize His presence will bow in humility before Him. From My Life Today - Page 286

**The Soul Winning Sabbath School**  
**Making Disciples Ready for Second Coming of Jesus**

**DON'T JUST READ IT, DO IT.**

A church member known for his ruthlessness, arrogance and strong religious feelings told his Pastor that before he died he intended to visit the Holy Land, climb Mount Sinai and read the Ten Commandments aloud. "I have a

better idea", the Pastor replied. "Just stay here in Louisville and keep them!" We'd rather talk about what we are going to do, than act on what we know we need to do. People would rather debate the merits of protein vs. carbs, soul food vs. Vegetarian, lifting weights vs. cardio, than change how they eat. The bottom line is simple: Expend more calories than you take in. Likewise, some Christians would rather debate doctrine than do what Jesus says. As the old ad for Nike sneakers said, just do it! Practice loving a difficult person; try forgiving someone; give some of your money away; stop and say thanks; worship God; encourage a friend; bless an enemy; when you're in the wrong say, "I'm sorry." Face it. You already know right from wrong. Nothing turns people off more than somebody with a head full of knowledge that lacks, grace and character. It's the same today as it was when James wrote, "**Be doers of the Word, and not merely hearers.**" James 1:22 NRS
